Tucked into a quiet corner of the Central Business District near the Mississippi Riverfront, some of the city's most fashionable shopping, the exciting Arts & Warehouse District, galleries, restaurants, entertainment, and the energy and the nightlife of the historic French Quarter are all within a two-block stroll of the Windsor Court Hotel.

In addition to the renowned venues within Windsor Court (The Grill Room, The Polo Club Lounge and Le Salon – for traditional afternoon tea), New Orleans itself provides its visitors with an abundance of city sights, enough to enjoy a wide variety of experiences. Choose from our famous restaurants, lively jazz clubs, stately ante-bellum plantations and homes, art galleries and museums. The very essence of the Crescent City is 'joie de vivre' and as such New Orleans is to be enjoyed by her visitors!
